France Médias Monde at the « Expo 2020 Dubai »

Marie-Christine Saragosse, Chairwoman and Chief Executive Officer of France Médias Monde (Radio France Internationale, France 24 and Monte Carlo Doualiya) and Erik Linquier, Chief Executive Officer of COFREX (Compagnie Française des Expositions) and Commissioner general for the French Pavilion at Expo 2020 Dubai, have partnered for the 2020 World Exposition. The event will be held in Dubai between October 20th, 2020 and April 10th, 2021 around the theme “Connecting Minds, Creating the Future”.

Titled “Light, Lights”, the French Pavilion’s theme explores light as an enabler of progress, a vehicle for connections and a source of heat and creativity. It seeks to embody the Age of Enlightenment, the 18th century movement spearheaded by French intellectuals that emphasized concepts such as knowledge exchange and tolerance. The two Ambassadors of the Pavilion, Jessica Préalpato, a pastry chef, and Thomas Pesquet, a French astronaut with the European Space Agency, have been chosen to fully embody the Pavilion’s values of boldness and French art de vivre.

France 24, Monte Carlo Doualiya and Radio France Internationale will report live from the World Exposition and the French Pavilion with shows and reports in English, French and Arabic. The French Pavilion will also be honoured on television and on the group’s digital platforms through media campaigns, which will increase its notoriety worldwide.

France Médias Monde’s media outlets are well known in the Middle East, particularly France 24 and Monte Carlo Doualiya, the group’s Arabic radio station.
